Co je v sadě

1. **Obrázek se slovem** (29 kartiček) – na čtení a opakování slovíček.
2. **Pexeso** – zvlášť obrázky a zvlášť slova. Dítě hledá dvojici obrázek + slovo, které si musí přečíst.
3. **Malá slovíčka** (a, see, is, for, me, at, the, an, in) – z nich a z obrázkových kartiček se skládají věty.
4. **Věty a spojení** – proužky s větami z knížek a nová spojení typu *a squirrel at the park*.

Hry bez obrazovky

- **Najdi obrázek:** položte 3–4 obrázky. Dítě si vytáhne proužek s větou, přečte ho a položí k obrázku.
- **Slož větu:** z malých slovíček a obrázkové kartičky dítě skládá věty: *See + a + [cat]*, *A + [dog] + is + for + me*.
- **Pexeso:** obrázky a slova otočte rubem nahoru. Dvojici smí dítě vzít, jen když slovo nahlas přečte.
- **Na pošťáka:** rozložte obrázky po bytě. Dítě dostane slovo, přečte ho a doběhne pro obrázek.

Tisk: A4, na výšku, měřítko 100 % (bez „přizpůsobit stránce“). Nejlépe na silnější papír, pak stříhat podle šedých čar.

Obrázky: Microsoft Fluent Emoji 3D (licence MIT) a vlastní kresby (rybník, lavička, houpačka, Benátky).
